

Birmingham Library Rewards trip

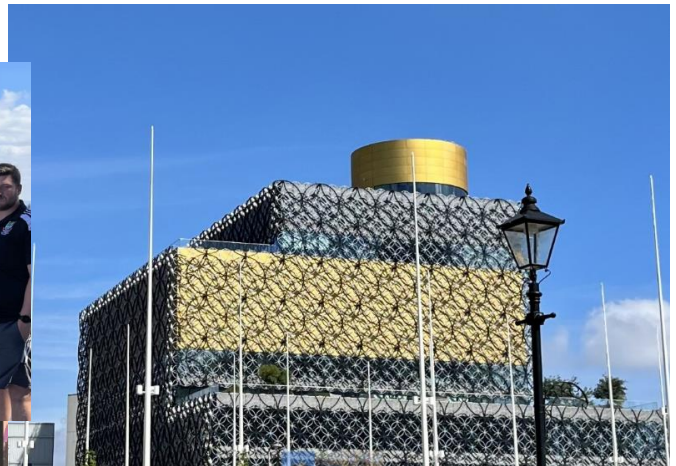

Winners of our Share-A-Story month competition had a wonderful time at the Library of Birmingham on Friday 8th July 2022.

They had a tour of the enormous building (the biggest library in Europe!) and competed in a book scavenger hunt to win some awesome prizes.

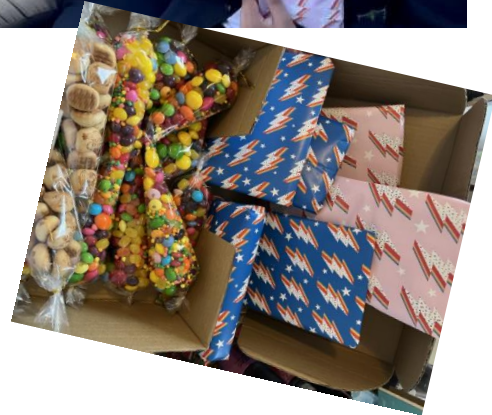

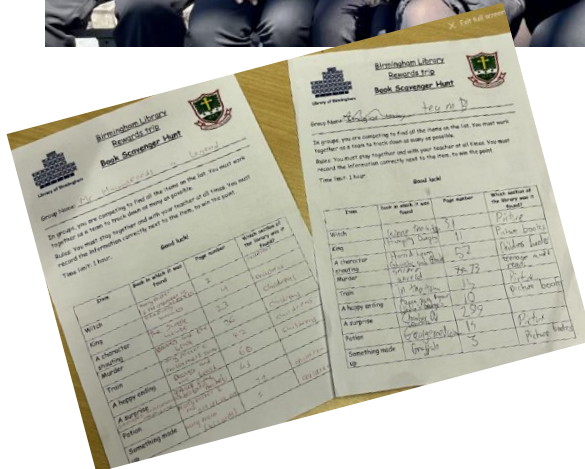

Our students had a brilliant time, with thanks to the staff at Birmingham Library for their support and Mrs Smith and Mr Hawkeswood for accompanying the students on the day.

Here are some photos of our day:

Our book scavenger hunt winners 😊

And our disappointed losers 😞

Well done everyone, you definitely know your books!

Here's what our students thought of their day out:

"I really enjoyed coming to the library today. There were lots of cool facts around the library on the walls. I would definitely recommend others to come here as there are lots of other activities, not just books (such as table tennis)."- Anusha

"Brilliant time. Lovely facilities and an exhilarating scavenger hunt."- Sonny

"One of the best places to go. I loved the scavenger hunt, it was adventurous."- Sadequr

"It was soooo much fun. I would definitely go again."
