

Whole School Priorities: 2023-2024

1. Continue to focus on the health, safety and well-being of students, parents, and colleagues.
2. Continue to drive vision, Personal Development, identity and talents for KS3 students.
3. Monitor closely the intervention and holistic progress of HPA students in KS3 and KS4.
4. Continue to actively engage and intervene with Persistent Absence in KS3 and KS4.
5. Continue to evaluate curriculum effectiveness and intervention to support and improve student progress.
6. Continue to improve independent study skills in KS3 and KS4 including sequencing, homework and retrieval practice.
