**Colin Crehan - Head of School**

9<sup>th</sup> January 2017

Dear Parents and Carers

I am writing to let you know of an exciting opportunity that has arisen for both you and your son or daughter. We would like to invite you to join us at school for our family learning project; this will take place on Thursday 19<sup>th</sup> January at 9am, and each Thursday after 9am-12pm (excluding February half term) until 30<sup>th</sup> March. All welcome, including siblings, aunts, uncles and grandparents. We would love it if you could attend every session but understand that you may have other commitments so please come along wherever possible.

The sessions will give you the opportunity to take part in short literacy and numeracy activities with your child, which aims to increase confidence in speaking and listening and improve understanding of the English language. We are very excited to be welcoming Kirran Karra in to school – a tutor from Birmingham Adult Education Service to deliver this course to parents and family members, she is very experienced in working with families with English as an additional language. Each adult enrolled will receive a certificate upon completion of the course.

The project will focus on ensuring parents have at least survival English and will develop links and establish an increased partnership between school learning and parents, enabling you to be more confident in supporting your child's work at home. We aim to improve literacy and numeracy across the family, provide new experiences and equip you with a variety of skills that you can transfer to home and the community. Towards the end of the course we will be taking part in an out of school educational visit.

Please report to reception on arrival. If you have any further queries about this opportunity, please do not hesitate to contact me.

Yours sincerely

Mrs Teager
